The quickest & easiest way to create expense reports

INTERNATIONAL TRAVEL: ABUKAI Expenses empowers international travelers to file their expense reports from anywhere in no-time.

PC Magazine Award-winning, **ABUKAI Expenses** eliminates all the cumbersome work associated with creating expense reports including typing data from receipts, categorizing expenses and looking up exchange rates.

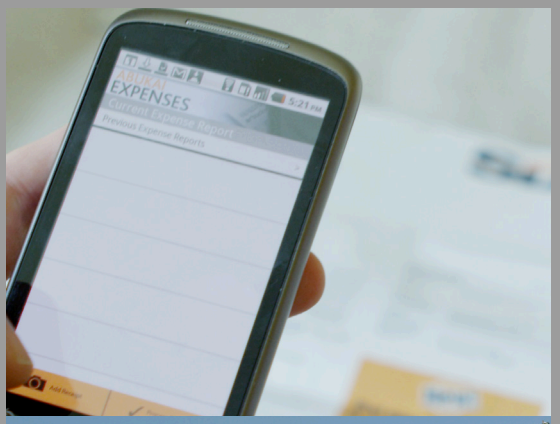
Step 1. Simply take a picture of each receipt while on the road or in your office.

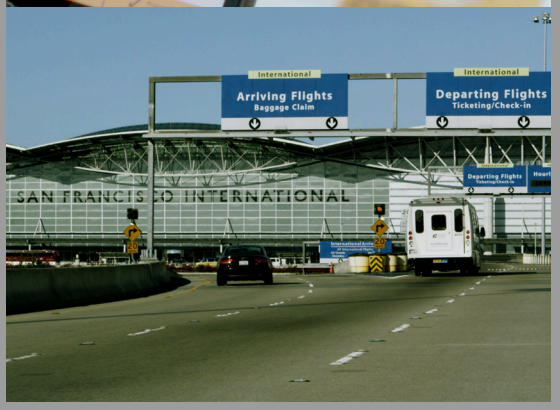
Step 2. Press "Submit" whenever you are ready.

You will receive your finished expense report with cost categorization, date, vendor and all the other information already filled in for you. In only 2 steps! Instead of having to manually entering each expense entry, with ABUKAI Expenses, users only need to take a picture of the receipt.

ABUKAI can recognize receipts from around the globe and automatically fills in the appropriate exchange rates. Users just select their home currency within the mobile application and ABUKAI Expenses automatically converts all transactions into the home currency. Through the ABUKAI User Portal for Individual Accounts or through a Corporate Account, one can even configure foreign exchange fees that get added to the exchange rate, in case of foreign credit card transactions.

ABUKAI increases accuracy and compliance over employee-entered expense reports and can deliver real-time electronic transaction data that can be directly imported into various accounting software, reducing finance's effort as well.

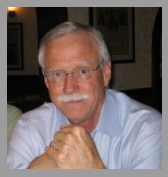




Case Example: Founded in 1947 and based in Washington, DC, the National Business Aviation Association (NBAA) is the leading organization for companies that rely on general aviation aircraft to help make their businesses more efficient, productive and successful. The Association represents more than 9,000 companies and provides more than 100 products and services to the business aviation community, including the NBAA Annual Meeting & Convention, the world's largest civil aviation trade show.

Bill Stine is the director for International Operations at NBAA, and as a result frequently has to travel internationally.

Bill Stine is using ABUKAI Expenses on his BlackBerry currently, and will soon be switching to a new iPhone. ABUKAI's accounts can easily be transferred from one device to another, also allowing users to have multiple devices, for example, when traveling and roaming in different countries. ABUKAI is currently available for Android, BlackBerry and iOS devices.



"With significant international travel, the timely turnaround of ABUKAI's reports, with exchange rates already incorporated, is a huge aid to filing expenses."

Bill Stine, Director, International Operations
