The quickest & easiest way to create expense reports

REDUCING PAPERWORK: ABUKAI Expenses customers no longer need to save their receipts or deal with lost receipts

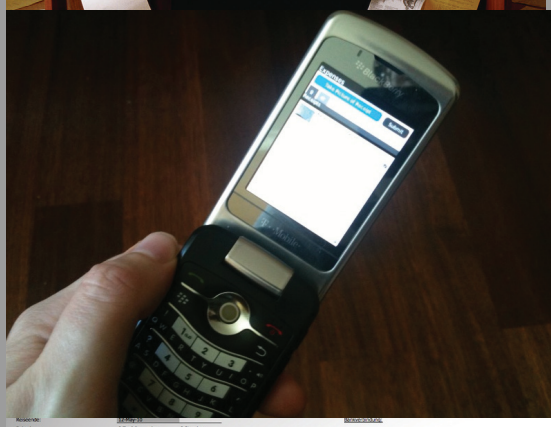
Many business users of **ABUKAI Expenses** no longer need to carry their receipts as they travel since in many markets an electronic copy of the receipt is sufficient for tax and audit purposes.

ABUKAI Expenses eliminates all the cumbersome work associated with creating expense reports including typing data from receipts, categorizing expenses and looking up exchange rates.

Step 1. Simply take a picture of each receipt while on the road or in your office.

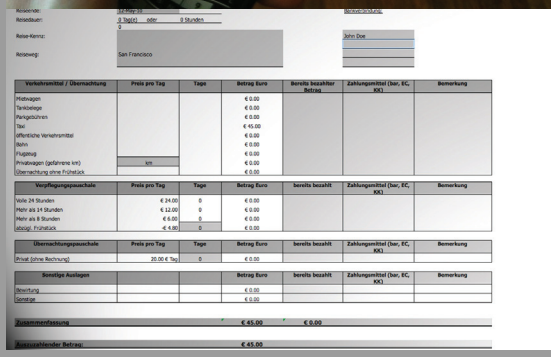
Step 2. Press "Submit" whenever you are ready.

Employees receive their completed expense report with cost categorization, date, vendor and all the other information already filled in, along with a copy of all the receipt images. In only 2 steps!



By using **ABUKAI Expenses** directly at the point of purchase, employees also eliminate lost receipts. Finance and other employees no longer need to deal with lost receipts since receipt images are immediately digitally archived.

Finally, employees can submit their expenses any time they are ready, even while still on a trip. They can also be forwarded immediately to possible clients. Hence, employees and the company can get paid much sooner.



Case Example: Total Solutions is the specialized service provider for the Financial Services sector, including banks, insurance companies, investment managers, brokers, hedge funds and others. Total Solutions has two offices in the Netherlands and one office in the United Arab Emirates, so their staff frequently travels.

ABUKAI Customer:

Robi Dattatreya, Managing Director at Total Solutions Europe, discovered ABUKAI Expenses. Instead of having to carry around receipts and then trying to assemble an expense report back at the office, he now can get everything done on-the-fly. He just snaps a picture at the point of purchase and is done. This translates into direct time-savings, and lets Total Solutions focus on their business instead of receipts and expense reports.

"Fantastic product! Finally got rid of all the receipts while travelling...

Directly after payment, I take a picture and leave the receipt with the seller!"
