ABUKAI Expenses™

ABUKAI Expenses was also named "Instagram for Expense Reporting" by Wireless Week, one of the 6 best mobile applications for small business by Staples, and one of the top 5 finance applications by NASDAQ.

ABUKAI Expenses is the quickest and easiest way to create expense reports. ABUKAI Expenses eliminates the tedious activities associated with completing expense reports, including typing data from receipts, categorizing expenses and looking up currency exchange rates.

With ABUKAI it takes only 2 steps to complete and submit an expense report.

Step 1. Simply take a picture of each receipt while on the road or in your office.

Step 2. Press "Submit" whenever you are ready.

ABUKAI automatically generates the expense report without employees having to type up the report, routes the report for approval and automatically reconciles the expense against any credit card expenses.
